Message:

I have three kids so I understand the concept of stopping bad behavior. I hope Gov. Abbott understands that concept as well.

These people who fled the State shouldn't have been given a deadline to return. They're already gone. If I'd done this at my job I'd have been fired.

Get rid of them all, fine them and track where their payments came from. Last time this stunt was pulled my "representative" was photographed on the private plane with a case of beer. They'll continue to do these antics until they have to pay a big price. Make examples out of them. I'm sick of it!!
