Message:

In regards to SB 4, I want to register my full support FOR Plan C2308 Redistricting for Congressional Districts.

Texas has had an influx of population in the past five years. Many corporations have moved their headquarters to Texas and brought their extensive staffs due to more favorable business climate. Also many families have moved to Texas to seek refuge from the Woke policies that have plagued their former city and state governments as well as the taxes necessary to support those policies and programs. As such, we require sound representation in Texas for our Congressional Districts to meet those needs and services, so redrawing adjustments to the districts would benefit the increased population.

Therefore, I support Plan C Redistricting for Congressional Districts.

Thank you. Deborah Avellano, Denton County Republican Party Precinct Chair for Precinct 2073, Congressional District 26, Senate District 30 and House District 57.
