City: Fort Collins  
State: Colorado  
Zipcode: [REDACTED]  
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

The Texas mid-decade redistricting is a calculated, anti-democratic power grab subject to the will of President Donald Trump's attempt to subvert the 2026 elections.

It is shameful there is no requirement for transparency, public input, or fair representation. Texans deserve a process that is transparent and accessible.
