Message:

The move for redistricting appears to be a bend at the knee to a convicted felon. And not about an opportunity to enhance anything for our state! There are elected officials in this state who will sacrifice their marriages and reputations for the sake of towing the line for a 6 time draft dodger. There are commandments and bibles and morality discussions on your floor every day. And NONE OF IT IS HELPING OUR STATE!!!!!! You're redistricting to hide behind the failures of your choices, which you all collectively made, damn the repercussions or collateral damage. This state is already gerrymandered to represent only the most wealthy, white christian voters, and underrepresent the real needs for this state! Don't fool yourselves for one second. We know what this is really about. Republicans know what they have done for years to their constituents, and instead of accountability, your constituents get gerrymandering. You are failing Texas and you are setting up Texas to fail! Children are dead, trafficked, molested and

abused in numbers in our state
alone, in large numbers and I
dont ever hear Reuplicans discuss
real solutions on the floor about
anything of value. But I know you
passed the ten commandments in
schools on a SUNDAY! Like
hypocrits! Stop lying and say
what you mean!

Hey kids! Gerrymandering is the
new cool thing and its brought to
you by the party who cares more
about mixing church and state
than actual real issues impacting
our communities.

The deceit and racist motivations
this Senate uses to place control
on hardworking people is not
hidden somewhere in a dusty
corner but i stead oozes the rot
in plain sight.

There are checks and balances in
this world, just ask the CEO
adulterer at the Coldplay concert
(too bad we cant make him wear a
scarlet letter A to warn other
women). The world learned that
day, Karma always keeps receipts.

Sincerely

A fed up voter just waiting to
scream Checkmate!
