Message:

I wish everyone would just stop. The Republicans are doing a huge disservice by doing this and I have voted Republican in every way but Trump and now y'all are just doing whatever Trump wants. This needs to stop, you represent all the people not just MAGA. I just can't even imagine what Reagan and Bush must think of this mess. Those were respectable presidents.

I understand that whoever wins the election gets to gerrymander, but this is going way above and beyond. Enough already
