Affirm public info: I agree

Regarding: Congressional

Message:

I am writing as a concerned constituent to express my strong opposition to the current Texas Congressional redistricting plan.

The redistricting maps proposed undermine fair representation and appear to be drawn in a way that dilutes the voices of communities of color, disrupts existing communities of interest, and limits competitive elections. Every Texan regardless of race, background, or political affiliation deserves a fair and equal say in our democracy. These maps do not reflect that principle.

I urge you to reject any maps that prioritize political gain over fairness and equal representation. I respectfully ask that you support a transparent and inclusive redistricting process that reflects the true demographics and diversity of our state.

Please consider the long-term impact this has on our democracy, and listen to the concerns of your constituents.
