First Name: Diana

Last Name: Caruthers

Title: N/A

Organization: self

Address: [REDACTED]

City: Round Rock

State: Texas

Zipcode: [REDACTED]

Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

I am against the current plan of redistricting in the State of Texas as it is an attempt to skew the voting population in favor of the Republican party. The purpose of legal redistricting is to reflect changes in a state's population following a census done every 10 years.

Redistricting should never be done based on a request from one individual in order to skew the voting population.
