Affirm public info: I agree

Regarding: Congressional

Message:

The proposed maps specifically target Democratic and minority communities in major Texas cities, including:

Austin: Potentially combining Representatives Greg Casar and Lloyd Doggett's districts to eliminate a Democratic seat.

Houston and Dallas: Dividing and diluting historically Black and Latino neighborhoods to weaken their voting power.

South Texas: Redrawing lines to flip historically competitive districts to solidly Republican.

I am vehemently opposed to this attempt to add Republican districts and silence the voices of Texas Democrats and Independents. This scandalous attempt to subvert the rights of the Texas electorate is shameful.
