Message:

I'm a lifelong Texan, and cheating to win elections doesn't sit well with me. I strongly oppose SB 4. It's a blatant partisan attempt to suppress votes by gerrymandering districts to favor Republicans. It is both unconscionable and illegal to redistrict when you have no new census data to justify new maps. Also, it's especially shameful to do so in a special session that should be focusing on the failures that led to the horrific flooding disaster in Central Texas on July 4. Affected families are still reeling with grief over lost loved ones or struggling to survive after losing homes or both—all while Texas Republicans legislatively prioritize cheating to win elections. I urge you to vote against SB 4. Thank you for your time.
