Last Name: Sargent  
Title: N/A  
Organization: Self  
Address: [REDACTED]  
City: Dallas  
State: Texas  
Zipcode: [REDACTED]  
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

There has been no public outcry that Texas' current congressional district map is an egregious disservice to the people of Texas. Apparently, the only objection has come from a single federal employee in Washington, D.C., and the Texas governor who will do anything to please him. The fact that this is being done solely to benefit one political party would be laughable if it weren't so outrageous.
