Message:

I am a Texas resident and strongly urge you to end partisan gerrymandering in our state. Every voter, regardless of political affiliation, deserves equal representation and fair electoral maps that reflect our communities — not the political interests of those in power.

Gerrymandering undermines democracy by allowing politicians to choose their voters, rather than voters choosing their representatives. I ask that you commit to a transparent redistricting process and support the creation of an independent redistricting commission to draw fair, nonpartisan maps.

Texas deserves a government that is accountable to the people — not one distorted by gerrymandered districts.
