Message:

This is absolutely ridiculous to redistribute this early just to get more seats for any party. To be honest, as someone who has lived here almost my entire life, I've had two children born in this state, held jobs, gotten married to a Military Serviceman here. After every awful thing that this state has done against women and women's healthcare, rights to privacy, and rights to medical and healthcare. Stop this before you start looking like the people who should be lobotomized. Oh wait, some already do. Please stop. This is getting beyond stupid.
