Hey, if yall could just not do the redistricting, that'd be great! We're already gerrymandered as all get out. Because of that, the majority of Texans suffer and struggle. It will be worse if there are even more red seats. At least democrats pretend to care about us.

I have no faith left in this state's government, so I'm not expecting that anything be undone. Just don't do this. If you have any humanity or decency left, then don't do this.
