Message:

I would like my representatives to listen to the people that they are representing. Stop this redistricting! You are trying to silence what the people are telling you. You are more concerned about Donald Trump and keeping him happy. This is Texas! He's a man from New York City! You are afraid of the people's voice. You are paid American tax dollars...MY American tax dollars...to represent me. Do not move forward and redistrict Texas.
