Message:

Redistricting our counties would be consequential for those who rely on it the most. If the goal is to rezone for voting purposes, I hope you understand that you will never silence the voices that never want to be heard by our government. No matter what city or county you place us in, we will never stay silent about the injustices of the people of Texas. As a reminder, without us you wouldn't be where you are today. Remember this when you make your final decision. Help the people who put you in the position you are in today. Do not listen to those who beg and bribe you to make changes to benefit their own agenda. Remember who you are and the power you withhold. Please vote against this.

Thank you,
Em
