Message:

I am a deeply concerned citizen of Texas and I oppose any attempt to redraw the legislative districts in a way that will undermine citizens and create unfair representations. Illegal gerrymandering is a direct threat to our democracy and every Texan has a right to have their voices be heard. Every vote should count and no one should feel like their vote is being silenced. This is not the first time district lines have been redrawn in an attempt to silence marginalized voters, but it should not happen again. Racial gerrymandering has been used in Texas many times and it violates federal law as well as goes against the values of our state and country. I call on each member of the Texas Legislature and the redistricting committees to reject any maps or proposals that disenfranchise voters, silence community voices, or defy constituents at the ballot box.
