Message:

So the Republican Party wants to rule not represent its constituents. Loose Hands Trump is as bad as Slick Willie Clinton when it comes to twisting the law, something other than Epstein that they have in common. I hoped the Republican party was better than that. I guess hope is useless in politics.

I'll be around for many more years than the guy you are calling your leader now, and like him, I won't forget who messed with my voting rights when it comes to future elections and campaign contributions.

I hope (there I go using that word again) you will vote against redistricting until after the 2030 census.

Sincerely, Eric Pratt
