Message:

Dear committee members,
Everyone knows that this abrupt redistributing is wrong. This redistributing is against what Texans want and who Texans are. This is clearly for political advantage and it's not a part of democracy that I want to be a part of. This clearly disadvantages minorities which will specifically affect Latino and Black community members in East Austin. These are clear civil rights abuses. Please do not let this happen especially without extensive public participation ..or not at all. It's not the time for this. Do not let this new map go forward, if you have any conscience.
Thank you for your attention.
