Message:

I wish to state my firm opposition to any redistricting of Congressional districts at this time. My opposition is based primarily on the fact that it usurps the standard way redistricting by the Texas Legislature occurs, which is once every ten years following the decennial census. I am also opposed to this current effort on the grounds that it is happening solely at the behest of Donald Trump and the acquiescence of Governor Abbott. As has been stated by State Rep. Harrison, this is solely a political redistricting to ensure the likelihood that the House of Representatives remains in control of a Republican majority. The result of such an effort will further disenfranchise Hispanics, African Americans and other minorities in Texas. We, the voters, choose our representatives; our representatives must not be allowed to choose their voters through such a brazen power move.
