Message:

dont redistrict unless ya'll are going to undo the blatant gerrymandered mess ya'll made last time. it is a mess and ya'll should be ashamed of yourselves. there are much bigger problems than redistricting and ya'll just keep needing a reason to justify your paychecks with our tax dollars without actually helping your constituents. do not redistrict. do not add to the growing list of condemnable reasons to remove each of you from office. corruption runs deep in texas and ya'll are continuing to prove that. stop it and let texas be for freedom. this is one of the poorer counties and ya'll don't care about us, don't even pretend to. i meet folks more texas than ya'll at the truck stop.
