Message:

I am strongly against mid-decade redistricting. It is an attempt to unfairly grab power and nothing more. As state senators, your job is to serve the people of Texas, and instead you are serving Donald Trump. You are trying to silence Texans and take away their voices because Donald Trump said so. Because he is afraid he won't maintain his power if everyone actually has a voice.

Please have the courage to do your job and serve the people of Texas, who deserve to be represented fairly in their district.
