Message:

I strongly oppose the current Republican plan to redistrict the state of Texas. This move is only happening to reduce Democratic input in our state's representation. It does not reflect the true political demographics of the state. In fact, it exacerbates an already unfair and discriminatory political map. All of the Republicans pushing this measure know it to be true: unfair, discriminatory, and authoritarian in its nature. Shame on you.

In addition, I fully support the prerogative of state Democratic officials to break quorum and leave the state for any time necessary to prohibit passage of this anti-democratic plan.

Let the voters choose their representatives.

thank you,
Gretel Enck
