Message:

I'm writing as your constituent to strongly oppose the recent redistricting maps proposed in Texas, which I believe are a clear example of ****partisan gerrymandering****.

Redistricting should serve the people — not entrench political power. When maps are drawn to protect incumbents or ensure one party's dominance, it undermines our democracy and silences the voices of millions of voters, including those in my own community.

Gerrymandering erodes public trust, reduces accountability, and creates districts that do not reflect the will or diversity of Texas voters. Fair maps are essential for competitive elections, representative government, and a healthy democracy.

I urge you to oppose any redistricting plan that prioritizes partisan advantage over fair representation. I support nonpartisan, transparent redistricting that puts voters — not politicians —

first.

Please let me know where you stand on this issue. I will be paying close attention to your actions and votes.

Sincerely,
Guadalupe Guerrero
