Dear Texas senators
Dear Texas Senate,

We urge you to act with compassion, integrity, and fairness—values that reflect the highest ideals of our state and our shared humanity. It is time to rise above politics and prejudice, to stop marginalizing the poor and communities of color, and to remember that leadership means serving all Texans. Please care for the vulnerable, the struggling, and the overlooked—just as Jesus would: with love, justice, and mercy. Let your actions reflect the kindness and dignity that every person deserves, regardless of race, class, or background. Do what is right—not for power, but for the people.

Proud Texan
Hector Esparza
