Message:

I strongly oppose this redistricting effort. It is a clear example of gerrymandering designed to manipulate district boundaries for political gain rather than to serve the people of Texas. This proposal appears driven by the demands of Trump in an attempt to secure additional seats, not to fairly represent Texans.

This is not how a healthy democracy functions. Our state deserves leaders who prioritize fair representation and the voices of all Texans—not those who bend the system to benefit one person or party. I reject any move toward authoritarian control and urge you to do the same.

Texans depend on their lawmakers to govern in the best interest of every citizen, regardless of political affiliation. This redistricting effort undermines trust in our democratic process and weakens the foundation of representative government. I call on you to stand for fairness, transparency, and true representation for all Texans, not partisan power grabs.
