Message:

I strongly oppose any redistricting in the state of Texas that may favor the Republican Party. It is the one job of our representatives to serve us. It is our right as citizens of this republic to elect officials who reflect our ideals, share our morals, and represent our ideologies. If these representatives cannot align themselves with the needs and desires of the public which they serve, then those elected officials need to remove themselves from the occupation of public service, and NOT redraw district lines making it so the public cannot simply vote them out. We the people give them the power, not the other way around. If the republicans choose to move forward with their plans to gerrymander districts then they should prepare themselves for a fight. Residents of this state will NOT stand for this.
