Message:

Redistricting is a cheap way to win, and an even cheaper way to cheat mid-decade. Capitulating to this president will cause lasting blows to whatever trust the public had in the governance of our Republic, and these affects will reverberate through the next few elections. Stop wasting taxpayer time, money, and interest earned to stay in favor of this silly man. He will bring you all down with him; the people always win in the end.

Texans care about independence, self-reliance, honesty, and work that is good.

Do good work.

Thank you.
