Message:

As a citizen of Texas I feel a deep obligation to stand up for myself, and my fellow Texans by imploring this committee to NOT REDRAW DISTRICT LINES!!! This is completely unacceptable. Redrawing district lines would favor one party and completely disregard the voters of other parties. This committee is made up of elected public servants of Texas who are supposed to serve the interests of all Texans, and a significant way to do that is by honoring the votes of the public, whether you agree with the outcome of those votes or not. Please, for the fairness and justice of ALL Texans, do not further divide our state by suppressing voters with redistricting. Please. Please think of us. The everyday Texan citizens. We are out here working for the betterment of our state every single day. We are your teachers, nurses, doctors, bakers, cooks, drivers, construction workers, social workers, librarians, etc. We do our part to serve this state. We are asking you to remember your promise to do your part as the people we elected into power. Please think of us. Don't forget us. Vote for OUR best interest as an entire state. Please do not redistrict. Thank you for your time. Sincerely and with much hope in my heart that you will do the right thing,
Isabella Gonzalez.
