Message:

The Rio grande valley needs more representation from the Hispanic republicans, for too long the Democrats have had a chokehold on the people with lies and fear mongering. Conservative republicans also deserve a seat at the table. Hidalgo county is one of the poorest counties in the whole state of Texas. We have issues with infrastructure, water pollution, crime. Somehow the Democrats want to paint the Rio grande valley as some kind of paradise where everything is great, when that's far from the truth. Unemployment, low wages, drug abuse is rampant , let some republicans a seat at the table and let them bring new ideas.
