Good evening: I'm Writing from Hidalgo county in support of SB4 bill. Let me tell you my reasons, For too long conservatives and republicans have been silenced because of the way we vote. We need a fair and inclusive system where candidates can compete and won't fear retaliation on their business or livelihood simply for running on a republican ticket. Hidalgo county has a low income level and many students leave the Rio Grande Valley after graduation to look for better opportunities in different parts of the state or country. The democrat party complains about gerrymandering when they have been using that system in states like Illinois where the Texas democrats decided to flee and go hang out with Governor Pritzker. What a disgrace! The Texas democrats are making our state look like a total joke and it looks like a free for all with no responsibility whatsoever. Senator Hinojosa doesn't know me , is ok , I don't hang out in democrat circles. I support President Trump, Governor Abbott and the Republican Party. Senator Hinojosa already stated he's voting no on this bill so I won't waste my time calling his office, I would like this message sent to Senator Phil King in support of SB4, we want more republicans like CD15 Monica de la Cruz, SD27 Adam Hinojosa, and HD 37 Janie Lopez, I hope and pray AG Paxton will be able to reprimand Texas house democrats for their disgusting stunt and possibly remove some people from office. Last but not least , I support the bill so we can get more republicans and to help President Trump.
