Message:

I firmly oppose any districting efforts in Texas that aim to silence the voices of Democratic voters. Gerrymandering, in any form, undermines the democratic process. Manipulates district boundaries to favor one party over another, often diluting the power of communities. Communities are what make Texas a great state. We, the people deserve equal representation. Every vote should carry the same weight, and every citizen should have an equal opportunity to elect leaders who reflect their values and needs. We demand a fair redistricting process that is inclusive, transparent, and accountable to the people. Representation should not be a privilege reserved for the powerful. It is a right to all Texans, regardless of political affiliation.
