Message:

I, my wife and several neighbors are totally opposed to an unusual redistricting vote in mid decade of norms for redistricting. It is obviously apparent a move by President Trump to elect more loyal Trump Republicans, who have so far complied with his every wish. This behavior is unacceptable as thus far, President Trump has created a government of chaos that is far from what he promised us. We are very disappointed with no end in sight to rising prices, with the incompetence of many in his Cabinet, the crazy waffling back and forth with firing & retiring government workers, tariffs, our stock market highs & lows weekly and our loss of world power.

Do what is right and fair, do not force the citizens of Texas to lose their right to keep Trumps minions from holding office. We refuse to vote for leaders who lie, be they Democrats or Republicans, who refuse to meet us in town hall meetings, reply to our emails concerns with the same generic answers.

Thank you,
Mr. & Mrs. James Brownell
