We keep hearing that this time, these runaway Democrats WILL BE investigated, charged, arrested, fined, and their seat vacated by Gov. Abbott. I won't believe it until I see it because all you people do is lie.

I am sick of the lies and window dressing. Things like putting all the blame for the non-passage of a new redistricting map on the Dems. This map should have been taken care of a week ago while the Dems were still in town. But it wasn't. I suspect that a good bit of the blame can be laid at the feet of the governor, Lt. Governor, and Dustin Burrows.

I hear Republicans are fundraising off of this. Don't expect anything from me.

We are tired of being betrayed. Most Republicans in the Texas House are Democrats. It's as plain as day. I blame the voters, but I blame you too.

I know that the Texas legislature, including the governor, is a joke. We're on to you. The problem is that most Texas voters are apathetic and keep voting for Democrats with Rs by their names. I AM NOT ONE OF THOSE. I know what goes on in Austin.

I am watching and will vote and donate accordingly.

This is a 2-fer. I have an elderly friend who does not own a computer. She told me to sign her name to this, along with myself. Her name is Maryrene Cline, she lives in Kaufman, TX. She is well informed & agrees with everything I have said AND SHE VOTES.
