Message:

I've never seen a government body with such little backbone, and show such blatant disrespect for its constituents. Republicans have done nothing but whine about things being broken, while being a super majority for the last 30 yrs. If it's broken, it's because you broke it. And now trying to gaslight the public into believing the way to fix it is to give you MORE power? This is a waste of everyone time and money. Shame on you and your blatant, despicable, transparent power grab, and the pathetic lack of self respect you demonstrate in doing nothing but Trump's bidding. All you do is kiss his ring and his ass. While you wallow in your pitiful attempts to get his attention, texans pay the price with their lives. This is insane, and personally I'm fed up with your collective ineptitude.
