Affirm public info: I agree

Regarding: Congressional

Message:
ger·ry·man·der:

gerund or present participle: gerrymandering
manipulate the boundaries of (an electoral
constituency) so as to favor one party or class.
achieve (a result) by manipulating the boundaries of
an electoral constituency.
"a total freedom to gerrymander the results they
want".

Why do you want to end up on the wrong side of
history so much? Why do you continue to devalue
the opinions of your citizens just for self serving
people. Why are you pushing out democracy in the
face of fascism. How dare you take away the people
that THE PEOPLE OF THE STATE voted to hold their
opinions against narcissistic politicians like the ones
in this capital. You are showing who you truly work
for and it is not the people that will vote you to get
you out. All you had to do was the right thing and
you shall watch as your standing disappears from
below you. Absolutely disgusting behavior. I thought
Texas cared about freedom and democracy. Yet
everyday you are showing that all you care about is
power and money.
