Affirm public info: I agree

Regarding: Congressional

Message:

I am writing as a concerned constituent to urge you to take immediate and meaningful action to end partisan gerrymandering in Texas and to support fair, transparent, and nonpartisan redistricting practices.

The right to vote is one of the most fundamental pillars of our democracy. However, when district lines are drawn to favor political parties or to dilute the voting power of certain communities—particularly communities of color—it undermines that right and weakens public trust in our electoral system.

The current redistricting maps in Texas raise serious concerns about fairness and representation. Rather than reflecting the true makeup and interests of our diverse population, many of these maps appear to be designed to preserve political power at the expense of accountability, competitiveness, and community cohesion. Texans deserve better.

Partisan gerrymandering has no place in a functioning democracy. It erodes the principle of “one person, one vote” and breeds political cynicism and disengagement. Our state’s strength lies in its diversity—and that diversity deserves fair representation in our legislature and in Congress.

Thank you for your time and attention to this crucial matter. I hope you will take a stand for democracy and support meaningful redistricting reform in Texas.
