Message:

I'm completely dumbfounded as to why the state said our maps aren't based on race yet President Trump said they are, all of a sudden the maps must reflect to where 5 seats are gained for republicans per the presidents words. This is ludicrous and outlandish. The Latino community barely has representation on the current maps as it is. Also, if the maps are redone, those 5 seats gained will not matter when Gov. Newsome redistricts Californias maps. Please take consideration of the pros and cons and realize the cons outweigh the pros.
