Message:

I can't believe I have to actually remind our leaders that they were elected to represent and support all of the citizens of this great state, and NOT one power-hungry President in Washington D.C. I 100% disapprove of this mid-cycle push to redistrict in order to gain more Republican seats, thereby reducing representation of many of my fellow citizens. Focus on helping the people you were hired to represent. Party is not important, people are. This state is still reeling from the tragic loss of life due to the Kerr County floods, and now your partisan gerrymandering push is the talk of the country. It is embarrassing that Republican leaders of this state are spending all of their time on this and not the issues that matter to Texans. Stop this nonsense and do the right thing for Texans. Thank you.
