Message:

Dear Committee Members for Congressional Redistricting:

You were elected to serve the will of the people and that is NOT what we are seeing. By waiting till the last moment to vote on the Redistricting you allowed the Democrats to run and put this vote and the fate of Texas and Texans in jeopardy! We have seen the speeches, the fist pounding but what we don't see is action. We see Burrows not only letting the Democrats leave the state, but giving them even more time to return. We are tired of watching this "drama" play out. The Democrats who have not returned need their seats vacated now! We have had enough of this. We voted for a Conservative agenda and that is what you are obligated to act on.
