Message:

This is a disgusting power grab. This state is already gerrymandered to the point of ridiculousness, and now you're pushing for it to be more so because you're doing such a poor job of representing your constituents that you think you need to stack the deck in your favor even more? Everyone opposes this, along with your idiotic bathroom bills and so many other things you keep pushing to harm fellow Texans. You should be ashamed. You're not- but you should be.
