Message:

The Texas Senate is just as contaminated as the Texas House of Representatives and the US Congress are.

You folks along with the Governor must hate President Trump and MAGA along with his policies and programs that he is trying to adopt for Texas and America.

We understand that you are most likely controlled and paid by the Bush/Rove lobbyists, Cartels/CCP, Democrat loyalists and Muslim groups that want to convert Texas to a Liberal state and lead the country in that effort. They hate us true Conservatives.

It's shameful that politics has lost it's integrity, honesty, courage and fortitude to be Texans first, but money, authority and power always corrupt the weak.

Thank you,
Jerry Fox, CSP
