Affirm public info: I agree

Regarding: Congressional

Message:

I disagree with redistricting Texas.
This nation is falling to ashes and
our fore fathers would be ashamed
to see that government officials
were sabotaging our rights in this
moment right before the midterms to
avoid flipping seats. As a bi racial
half hispanic half white, single
mother of 3, I used to feel safe,
now I am terrified every day. I
watch the women slowly lose their
rights. Watch descrimination and
anger against immigrants rise. Who
are we anymore. You say we are great
but we are falling apart. Prices
keep rising, but the pay stays the
same. Corporate gets the cut but we
have to pay. Stop this madness hold
the lines. Stay the course. Let God
guide us through. Respectfully yours
a single mother of 3, who is bearylly
getting through.
