Message:

I highly object to the Texas legislative special session to rezone congressional districts. This state is already highly gerrymandered in favor of Republican voting and to squeeze out more districts to bend the knee to Donald Trump, the rapist convicted felon of a president, is as unpatriotic and an assault on every Texans right to have a say in our government. Republicans in this state have not an ounce left of honor or integrity, if they ever had any at all. Your deplorable actions will remain a stain on your reputation for all history.
