Message:

I am against the effort for congressional redistricting in Texas. I live in U.S. Congressional district 18 and understand my district is likely to be effected. We have already been unrepresented since the death of Sylvester Turner, and deserve to have an election scheduled immediately.

In 2024 42% of Texas voters voted for Kamala Harris and 44% of Texas voters voted for Colin Allred. Currently, 34% Texas's 38 congressional seats are Democrats, but if Abbott and the Texas Legislature bow to Trumps demands to gerrymander districts to flip 5 additional seats to Republican, only 21% of of our congressional seats will be represented by Democrats. This is anti-democracy. I would like to see national standards for independent boards to create congressional districts, but until that dream becomes a reality, please vote against redistricting in Texas.

Stand up for all Texans.
