Message:

The redistricting efforts by the Texas GOP is nothing more than a cowardly effort for them to steal as much power as they can for themselves and for a corrupt national government. I am beyond shocked and disappointed that a government that is supposed to represent hard working and independent citizens are so quick to bend the knee for a president who is so clearly in favor of a fascist and authoritarian government.

I ask Texas leadership to stop this power grab nonsense and get back to representing the people of the state that they supposedly love. Any action taken to move forward with these redistricting efforts will be embarrassing and laughed upon for generations to come. Please stop.
