Message:

It is painfully obvious that this is a shortsighted move to gain favor from Trump. It boggles me that Texas Republicans are willing to gerrymander our districts WORSE than what they are currently. I do not support the proposed redistricting plan. It further dilutes the representation that would be allowed to democrats if this was truly bipartisan. Have an independent board redraw districts, not fools feeling their power slipping through their fingers.

I am new to Texas and will be vehemently canvassing to make sure my rep's, Brandon Gill's, seat flips.
