Message:

As a Texas Resident living in San Antonio, I am completely against the gerrymandering aka redistricting Democratic leaning Congressional seats. Citizens should choose their Representatives. The Republican Party should not be choosing how many seats they can win by redrawing district maps in their favor. This is tantamount to Authoritarian Rule and not how a Democracy should work. Who would have thought that Republicans would one day adopt the methods of the former Soviet Union's Communist Party? History will not be kind to anyone who votes in favor of further eroding our damaged Democracy. Are there any Republicans left with any sense of decency and care for the Democracy our Founding Fathers created? This is no longer about which political party owns the other. This is about whether or not we keep our Democracy. For the sake of our Democracy, vote against redistricting the current map. It already heavily leans Republican.
