Affirm public info: I agree

Regarding: Congressional

Message:

I am opposed to this redistricting effort. This is a political move and overt effort at gerrymandering. The Texas Legislature should focus on establishing the necessary regulations and support to prevent the horrific flooding and deaths which just occurred in Central Texas. In this short special session which is taking place, we should not be wasting efforts on redistricting but rather putting all resources on the solutions needed to prevent disaster and deaths from flooding.
