Message:

I am against this GOP redistricting, and believe it to be unconstitutional. I am also in one of the areas the GOP is trying to grab and silence. I am of Hispanic descent, but I'm also a 4th generation Texan. There was a Santa Anna exhibit at the Texas State Fair, in which my ancestors portraits resided. I don't appreciate this blatant power grab, being rushed right before midterm elections on the heels of a new administration's unchecked power. It's wrong, and you all know it. I do appreciate members of the Senate & House who rather earn their salaries than cheat to steal seats of power. Do Better. Representation Matters, and this redistricting map is in blatant violation of the will of the people. Texans deserve a body of equal representation. What's the saying? "No taxation without representation."
