Message:

This gerrymandering tactic is wrong. Everyone knows it's wrong, but there are those that would like to see a pass anyhow because they are OK with zero ethics or democracy.. Please do your jobs the way they have already been carefully thawed out with checks and balances in place. Stop being so selfish, lazy and complacent in our democracy. You are the gatekeepers and you will be held accountable. It's not just the burden of future generations to fix your mistakes.
